

It's all about you **IMPACT** Individualised Study Programmes from PTS

Are you 16-18* years old?

We specialise in providing personalised support to all our young people and supporting their needs and career development.

Our courses include:

Work Experience Programmes — Get the chance to explore any sector of your choice to support your exciting progression into employment while gaining valuable career experience and direction.

BTEC Diploma in Sports Coaching and Development

(Level 2) — Ideal for those looking to progress into a career in sports, coaching, nutrition or fitness. We have a wide range of facilities, work experience opportunities and the chance to work with our coaching partners, Gloucester Elite Performance centre.

Health & Social Care (Level 2) — Designed to give you a broad knowledge of the health and social care sector to assist you into employment or study at a higher level.

Construction & CSCS Programme — To support your progression into construction by undergoing a construction based placement and sitting your **CSCS Card**.

Maths and English (Up to Level 2 & GCSE) — If you have been unable to achieve a GCSE grade 4 or L2 Functional Skills qualification in maths and/or English, PTS will give you the opportunity to gain these valuable qualifications in a supportive environment.

ESOL — Supports young people where English is not their first language.

Illumin8 Additional Needs Programme — Illumin8 supports those young people with Education, Health and Care Plans (EHCP) or support needs in a smaller group environment

**If you are up to age 24 and have an EHCP you may also be eligible for our courses.*
